Charles Schuler Laid To Rest

Funeral services were held for Mr. Charles Schuler at Vulcan, Thursday, November 13, from the United Church, with Rev. J. S. Clarke officiating.

Mr. Schuler was 77 years of age. He had resided in Saskatchewan for a number of years before coming to Alberta four years ago.

Surviving are his wife, at Vulcan, four sons, Pete, Vulcan, Jack, Vancouver, B.C., Carl, Calgary and Fred, Bodmin, Sask.; one daughter, Mrs. Jack Hanna, Vulcan; 20 grandchildren and 10 great grandchildren.

Burial was made in the Vulcan cemetery.

C.W.L. Hears Book Review

The C.W.L. meeting for November was held at the home of Mrs. Fred Nolte, with 19 members present. Following a brief business period the evening was spent in making plans for a Bingo party to be held in the Church hall.

The social portion of the evening was conducted by Mrs. Ed Grondin, who gave a splendid paper on a summary of the book "A Great Woman of Our Time". The tea raffle was won by Mrs. N. Schmalz, and a delicious lunch was served by the hostess. All enjoyed a pleasant hour of visiting to bring the evening to a close.

Majorville

Muskrats Damage Majorville Dams

Maybe Majorville should organize a baby chamber of commerce or something to cope with the many small problems facing us from time to time. It now appears that muskrats may become a menace as they are seen now in greatly increasing numbers around the many dams in the districts. Muskrats are very beautiful when milady is lucky enough to own a coat of their hides but on the hoof they are something else again. Jack Sutherland's dam went out last spring and it was suspected at the time that muskrats were to blame, now other farmers are fearful of the same results and measures should be taken now to avoid the loss as most of the dams around here were put in at considerable expense to the individual farmer.

Mr. and Mrs. Bob Scott left by plane this week for Windsor, Ont., where they expect to purchase a new car.

Mr. and Mrs. Bertschy and Junior, accompanied by Mr. and Mrs. Bob Bertschy of Mossleigh, spent a few days in Great Falls this week. Alex Hagg took over Fred's chores while they were gone.

Colin Campbell, accompanied by Mrs. Bartsch and Fay spent last Monday in Calgary.

Friends will be glad to learn that Mrs. Chester Edwards, our former neighbor who was quite sick for some time, is now better and no further treatments will be necessary.

Mr. and Mrs. Art Kisinger and family of Brooks spent the Armistice holiday at the home of Miles Clemmons.

Sam Galtley accompanied Billie Francis to Calgary for a couple of days this week.

Bennett Dew has returned home after spending a few days in the Sundre district.

Enroute from Barrhead to Scandia to attend a family reunion, Mr. and Mrs. Walter Borschers and family stayed overnight at the home of Geo. Heather. On Sunday Mrs. Heather and Joanne accompanied by Mr. and Mrs. Hap Heather and Terry drove to Scandia to attend the family reunion also.

Jack Sutherland has returned from a hunting trip to west of Bragg Creek with an elk. Harry Rivers and Jack Mitchell, who worked with Jack this summer, were hunting companions.

Mr. and Mrs. Lewis Greaves, Mr. and Mrs. H. Fuller and Mr. and Mrs. J. Avery of Bassano were visitors at the home of Mr. and Mrs. Sandy Henry last Sunday.

We just heard of a family reunion of the Fred Bertschy family that took place a week or so ago at the home of their son-in-law and daughter, Mr. and Mrs. Tom Barr of Mossleigh. Mrs. Bertschy's brother, Elmer Pearson, who was visiting them from the States, attended the party.

Ask Architects to Prepare Plans

New 8-room High School To Be Built Next Year

The November meeting of the School Committee of the County of Vulcan was held last week, and at this meeting a motion was passed authorizing Messrs. Meech, Mitchell and Associates, Architects of Lethbridge, Alberta, to prepare the detailed plans and specifications for the new Vulcan Junior and Senior High School. It is expected that the plans will be ready immediately after the first of the year in order that tenders may be called and work commenced early in the year. It is expected that the new school will be ready for occupancy soon after September.

School Committee members noted that the Town Council had finally passed a by-law to sell the County the proposed School Site which is located on the present golf course. Arrangements are being made to have the site surveyed and the title issued.

Christmas Holidays
A motion was passed setting the Christmas Holidays from Tuesday, December 23rd, until Monday, January 5th, 1953.

The matter of opening the schools at 9:30 was discussed and a motion was passed to the effect that the Chairman of the School Committee and the Superintendent be authorized to change the opening time on application and that the change when made would apply over the whole County.

Tuition Policy

The Committee set a new policy for paying tuition for students who attend schools outside the County. The policy is that the County will pay tuition for students on those subjects which are not being taught at their local school and that all applications for tuitions be approved by Mr. Schragg, Supt. of Schools.

A. L. Schragg, the new Superintendent was present at the meeting, it being his first meeting since his appointment to the Vulcan County School Division.

New Schools Ready Soon

The School Committee discussed at some length the matter of furniture for the schools under construction at Milo, Carmangay and Champion, and appointed a committee to recommend what new furniture is required and arrange for the purchase of same.

A motion was passed to advertise for applications for the positions of Janitors of the Carmangay and Champion schools. The new janitors will likely be engaged at the December meeting.

Information was given to the Committee that it was hoped that the new schools will be opened very shortly after the first of the year.

Schierman-Rausch Nuptials, Calgary

Rev. F. W. Snyder officiated at a late afternoon wedding ceremony in the Evangelical United Church, Nov. 1, where Helen Rausch, daughter of Mrs. A. Dippel of Calgary, became the bride of Albert Schierman, Vulcan, son of Mr. and Mrs. J. Schierman of Calgary.

The bride was escorted to the flower-banked altar by her brother, Martin Rausch, who gave her in marriage. For her wedding she wore a floor-length gown of white Chantilly lace with bouffant skirt of pleated nylon net. Her train-length veil was applied with satin motifs and misted from a satin coronet studded with pearls and rhinestones. Her only jewelry was the groom's gift of pearls. She carried a bouquet of American Beauty roses.

Attending her sister as matron-of-honor, Mrs. Rueben Spady was attired in a formal gown of apple green lace over taffeta with head-dress and mits to match. She carried yellow baby mums. Full-skirted taffet frocks in shades of mauve and yellow respectively were worn by Miss Lorraine Fritzler, niece of the groom, who was bridesmaid, and Miss Denise Marianne Dippel, niece of the bride, who was flower girl. Both wore headresses and mits in tone with their frocks. The bridesmaid carried a bouquet of yellow baby mums, while the flower girl bouquet was a colonial arrangement of mums and yellow rosebuds.

The groom was attended by his nephew, Emil Fritzler and ushers were Elvert Rausch and Rueben

Larkins - Deal Wedding Rites

A wedding of local interest took place in the Salem Evangelical United Church, Calgary, Saturday, Nov. 1 at 3:00 p.m., when Goldie LaQuita, younger daughter of Mr. and Mrs. Conrad Deal of Vulcan, became the bride of Irvine Edmund Larkins, eldest son of Mr. and Mrs. Edmund Larkins, also of Vulcan.

The Rev. F. W. Snyder officiated at the double ring ceremony.

Given in marriage by her father, the bride entered the church to the strains of the wedding march played by Mrs. F. W. Snyder. For her wedding ensemble the bride chose a gown of white nylon lace over satin. Her full floor-length skirt featured a bodice with a key hole neck line, outlined with seed pearls and long lily-point sleeves. She wore a three-quarter length net embroidered veil held in place by a lace and net coronet. Her only jewelry was a heart-shaped locket, a gift from the groom. Her bouquet consisted of white gardenias and white spilt carnations.

Mrs. Everett McIntyre, sister of the bride, acted as matron of honor. She wore a floor length gown of mauve brocade lace and net over taffeta, topped by a long-sleeved brocade lace jacket and wore a matching hat of mauve net. She carried a bouquet of ko-ko-mo carnations intermingled with tulle roses. Her jewelry consisted of a rhinestone necklace, a gift from the bride.

Miss Marlene Larkins, sister of the groom and Miss Vivienne Deal, cousin of the bride, acted as bridesmaids. They wore identical gowns of green and yellow respectively. Their floor length gowns consisted of net over taffeta, topped by brocade tulle boleros, and matching net hats. Their bouquets also consisted of ko-ko-mo carnations intermingled with tulle roses.

The groom was attended by his brother, Donald Larkins.

The guests were ushered to the seats by Alvin Larkins, brother of the groom, and Elmer Deal, cousin of the bride.

Before the ceremony, Miss Cora Walker sang "The Voice That Breathed O'er Eden", and during the signing of the register she sang "Oh Perfect Love".

Following the ceremony a reception for 55 friends and relatives was held at the Club Cafe. Receiving with the wedding party were the mothers of the bride and groom. Mrs. Deal's ensemble was of grey with which she wore black accessories and a corsage of pink sweetheart roses. Mrs. Larkins was attired in green with accessories of black. Her corsage was also pink sweetheart roses.

The bride's table was centred with a three-tiered wedding cake, flanked by tall lighted tapers and bouquets of cedar. The toast to the bride was proposed by the Rev. A. W. Roth and responded to by the groom.

Later the happy young couple left for a honeymoon spent in parts of the U.S.A. For travelling the bride donned a navy blue pin-striped suit to match that of the grooms, topped with a grey coat and navy accessories and wearing a corsage of red roses.

On their return Mr. and Mrs. Larkins will make their home at Legend, Alta., where the groom is employed as a Pool elevator agent.

Rausch, brothers of the bride, and Emil Hartung.

Mrs. S. R. Schierman played the wedding music and Rev. L. L. Sukut sang "O Perfect Love" prior to the ceremony and "A Wedding Prayer" while the register was being signed.

Following a wedding reception at the Club Cafe, the bride and groom left on a wedding trip to the western states. For travelling the bride wore a navy blue dress-maker suit with matching accessories and coral top coat. Her corsage was of white gardenias. They will reside at Vulcan.

TO HONOR SCOUT HEROES

Canada's Chief Scout, the Right Honourable Vincent Massey, C.H. will present gallantry awards to 14 Scout heroes at Government

Ask Enforcement Of Parking Laws

The November meeting of Reid Hill W.I. was held at the home of Mrs. F. J. Mensinger, Thursday, November 13th, with a good attendance of members. Roll call was answered with "Why I Joined the W.I." and proved quite interesting.

Among business matters discussed was a resolution, now being circulated, requesting the Town of Vulcan to clearly mark all parking areas, in the down town streets, to allot certain streets for truck parking, thus prohibiting them from parking on the main street and asking that the laws regulating parking be enforced. A rider to this resolution was added by the Reid Hill branch, requesting stricter enforcement of the speed limit on Vulcan streets.

Letters of appreciation were read from the C.N.I.B. and Salvation Army for donations made at the previous meeting. Several "Thank You" notes and cards were also received.

A \$25 donation was made to the Unitarian Services of Canada, to provide milk for needy children in Greece and Korea.

Mrs. W. A. Fitzpatrick read a most interesting article on Edna Jacques, the Canadian poetess, which was much enjoyed by all.

A contest on Alberta towns arranged by Mrs. Sales was won by Mrs. Gail Walker. A delicious hot supper was served by the hostess, assisted by Mrs. Lorne Healy.

The next meeting, which will be the annual one, will be held at the home of Mrs. Frieda McRoberts.

Dinner and Dance Enjoyed

Lions Club Marks Eighth Anniv'sary Charter Night

About 130 Lions, their ladies and guests attended the eighth annual charter night of the Vulcan Lions Club, Wednesday evening, Nov. 12, in the I.O.O.F. Hall.

Dist. Governor Morris E. Sanford of District 37D, Helena, Montana, was the guest speaker and his talk dealt with "Service" and the function of a Lions Club in the community. District Governor Stanley Scales of District 37C, Vulcan, and Heber Merrill of Lethbridge, president of the Lions Clubs of Canada, also spoke briefly.

The program opened with the singing of "O Canada" and "America" and the invocation was given by F. M. Anderson. The delicious dinner of roast turkey and all the trimmings was followed by a few songs led by Stuart Campbell and the introduction of visiting Lions and guests by Vulcan President Boyd McKay. Guitar selections by Charles Northcott, vocal solos by Stuart Campbell and the showing of Mexican travel films by Budd and Charlie Andrews provided excellent entertainment.

Following the dinner, dancing was enjoyed in the upper hall.

Services Held For Mrs. Iva Penstock

Funeral services for Mrs. Iva Penstock of Ensign, who died on Nov. 8, were held from the Vulcan United Church Tuesday, Nov. 11, conducted by Rev. Carlill of Lethbridge. Burial was made in the Vulcan cemetery.

The wife of Elwyn Penstock of Ensign, Mrs. Penstock was 45 years of age at the time of her death. She was born in Lethbridge and received her schooling there. She had resided in the Ensign district for the past 13 years.

Besides her husband she is survived by three sons, Lloyd at Lacombe, Lester and Herbert at home; one sister, Mrs. Ruby McCullough, Vulcan; and two brothers, Cecil Williams, a missionary in Korea, and Elmer Williams, in Saskatchewan.

House, Ottawa, on December 1st. The Victoria Cross of Scouting known as the Cornwell Badge, will be awarded to one Scout. There will be two posthumous awards of Bronze Crosses; two boys will receive Silver Crosses and nine will get Gilt Crosses.

Awards in recognition of outstanding service to the Boy Scout Movement will be presented to 11 adults.

National Head

Lewis W. Simms, Saint John, N. B., elected President of The Canadian Chamber of Commerce at the organization's recent annual meeting in Toronto, is now making plans for the year ahead during which he will contact Board and Chamber workers, educationists, government leaders and businessmen across Canada. In business life he is President and Chairman of the Board of T. S. Simms and Company, a brush manufacturing firm which was founded by his father in 1872. Mr. Simms has long been associated with the Chamber of Commerce movement in this country and was one of the founders of the Canadian Chamber, Canada's national business organization.

Set Up Public Works Dept.

Better Road Construction Is Planned By County

At the regular November meeting of the Municipal Committee of the County of Vulcan, the council discussed at considerable length the matters of road construction and public works activities with W. J. Slinn, Public Works Supervisor for the County. Mr. Slinn reported that owing to the favorable weather, road construction crews are still operating and that the 1952 road program will be fairly well completed within a short time. Mr. Slinn also made recommendations to the Council to set up a Public Works Department to be staffed with personnel to do the engineering and a Construction Foreman and Mechanical Personnel. It was the opinion of the Council that the Public Works Department will be able to design and construct more efficient roads and more stress will be laid on drainage and proper location of culverts. Plans for the 1953 program are being discussed at the present time.

Coyote Control

The County Council considered an application, from the Service Board to make application to the Provincial Government for coyote control policy as recommended by the Department. It was decided to advertise in the Advocate to ascertain how many farmers would be interested in attending a cyanide gun school and in making application for the guns. After this information is obtained, the Council will consider the matter of making an application to make this service available to the farmers.

Petition for Inclusion

A petition from a number of land owners in Township 17, Range 20, Sections 1, 2, 3, and the East half of 4, was presented to the Council to have those parcels of land included in the County. If this were done it would mean that the whole of Township 17-20 would be included, and that the residents in Sections 1, 2, 3 and the East half of 4 would obtain better public works road service and also that the land would fit in to the Armada School. A motion was passed agreeing to accept the land providing the Provincial Government saw fit to include it into the County.

The Council passed a by-law authorizing the sale of Lot 5 Bld. 5, Queenstown to the Alberta Pacific Grain Co.

Ask Duck Action

meeting to commence at 1:00 urging the Provincial Government to declare ducks an agricultural pest.

A letter from the Berrywater Local of the F.U.A. asking that the Council publish the minutes of Council meetings in the Vulcan Advocate was read. The Council instructed the Secretary-Treasurer to supply the Editor of the Vulcan Advocate with items of interest and news value for publication.

By-law No. 33, a by-law to authorize the closing of the road allowance between Sections 28 and 29 and the S.W. 1/4 32 and S.W. 1/4 33, was read a third time and finally passed.

Jack Deitz was re-elected Deputy-Reeve for the ensuing term.

Annual Meeting Date Set

Arrangements were made by the Council to hold the annual ratepayers meeting of the County on Saturday, February 21st, 1953, at the I.O.O.F. Hall, Vulcan, the meeting to commence at 1:00 o'clock in the afternoon. This date is specified in the Municipal District Act.

C. H. Andrews was appointed Returning Officer to conduct the 1953 Municipal Elections.

The Council decided to inspect and examine and report on all the vacant schools in the County, and appointed a committee of Mr. McKay and Mr. Carlson to bring in the report for the next meeting.

numbers were shown by the Misses Ruth Nicol and LaRee Neville.

Mrs. Mae Todd once again proved herself a charming and able commentator, pointing out the many late features in styling and materials. Mrs. V. Coleman, at the piano, provided soft background music during both shows.

Many interested ladies who were unable to secure tables before the show were served tea at the conclusion of the program.

The turkey raffle was won by Mrs. C. Ottewill while little Carol McAskie was the proud winner of the beautiful dressed doll.

Final Payment 25c Bushel Last Crop Year

An average final payment of slightly over 25 cents per bushel will be received by western farmers on wheat delivered to the Canadian Wheat Board during the crop year ended July 31 last, it was announced Nov. 15.

Mailing of cheques will begin Nov. 20 and distribution of all cheques is to be completed before Christmas.

Good Deeds W.I. Elects Officers

The November meeting of the Good Deeds W.I. was held at the home of Miss V. Dennison on Nov. 13. There were 15 members and one visitor. Roll call was a beauty spot of Canada.

Bruce White of Nanton was the lucky winner of the dressed doll, \$4.10 was turned in on the "stretch your dollar." A quilt top was donated by Mrs. Eamor, Mrs. M. Irwin and Mrs. E. C. Andrews are donating the batt and lining. The members are also making a quilt to send to Korea. Used clothing is being collected for Korea too. The members will meet at the home of Mrs. S. White on Wed., Nov. 19 to quilt.

After the business an election of officers was held with Mrs. C. D. Brown elected president; Mrs. S. White, 1st vice-president; Mrs. A. Fisher, 2nd vice-president. Mrs. R. Irwin will remain as secretary-treasurer for the present. The directors will also remain the same as last year.

A lovely lunch was served by the hostess assisted by Mrs. A. Fisher and Mrs. J. Andrews. The Christmas meeting will be held at the home of Mrs. D. Campbell.

A wreath for Remembrance Day was purchased by the club and was laid by Mrs. Andrews.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

Water and Wind Erosion

There are two types of erosion of soil which are constantly at work, namely wind and water, the water erosion takes place to a certain extent during every rain and during the spring runoff on any land that is not perfectly level, most of the land in the County is not level enough so that no erosion takes place from runoff water. We are especially concerned about the area in the north part of the County in which a great amount of gullying is taking place, we think it is a good policy to look over your farms and check the places where erosion is apt to start if it has not already started and commence a program of seeding down these places to grass before the trouble starts to occur, as after it has started to erode in earnest it is next to impossible to get it down to grass without a lot of expense, and nature is well on your side.

Wind erosion has not been of such vital concern during the last few years of above average rainfall, but we can well return to seasons when wind commences to take its toll, then it is the level land and the knolls that suffer. The Noble blade has been a great boon to farmers in keeping a trash mulch on top, also strip farming has solved the problem to a great extent in the south.

Field shelter belts have proven their value in different areas of the province in the storage of moisture from winter snow and cutting down the velocity of the wind as well. This is a program that can be carried on in a large way in Vulcan county, as trees will grow with a little care and the planting is not much of a task with a planter such as the Dept. of Agriculture uses. Unfortunately only two of these are available at present, but blue prints are available from the Department for building a machine and should not be too costly.

An ensign is a flag flown on ships.

CARD OF THANKS

Special thanks is extended to all those who donated and those who helped at our annual fowl supper.

—Ensign Ladies Community Club.

CARD OF THANKS

We wish to extend our thanks to the residents of Vulcan and district who so generously supported the sale of wreaths and poppies this year.

—Mrs. B. B. Dann Sr. and Mrs. Chas. Andrews, Poppy Committee of the Ladies Auxiliary.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Almond, Miss Sisters, the nurses and hospital staff for their kindness and care during my lengthy stay in the hospital, and to all my friends who sent flowers, cards and gifts.

—Tom Houlton.

CARD OF THANKS

We wish to express our thanks to those who helped, and donated lunch for the supper at the Army dance last Friday evening, and to Mr. Harvey of Queenstown, the lucky winner, who so generously turned the cake back to the Auxiliary. This cake has been sent to a Veterans' widow and her family of the district.

—Ladies Auxiliary, Queenstown-Milo Branch No. 155.

CARD OF THANKS

Our sincere thanks to Dr. Tompkins and the hospital staff for their kindness to Dad, while in hospital. Also to the private nurses who were so considerate, to the many friends for their help and lovely wreaths, flowers and cards, and all who helped in our hour of need.

—Mrs. Charles Schuler and family.

IN MEMORIAM

CALDWELL—In loving memory of Frank A. Caldwell, who passed away Nov. 18, 1951.

"O for the touch of the vanished hand"

And the sound of the voice that is still.

In the lonely home a vacant place, That no one else can fill"

—Ever loved and mourned by his wife, Betty, Max, Rex and family.

IN MEMORIAM

HOFFMAN—In memory of our mother, who passed away Nov. 9, 1947.

"Oh how patient in thy suffering, When no hand could give thee peace,

God, the Helper of the helpless, Saw thy pain and gave thee peace"

—Ever remembered by her husband, Helen, Gerald and Ronnie.

JANITORS for the new schools at Champion and Carmangay. Duties to include general cleaning and minor maintenance. Applicants must be familiar with looking after stoker-fired boilers and handy with tools to do minor repairs. Reply, stating experience, qualifications and salary expected, to the Secretary-Treasurer, County of Vulcan, No. 2, Vulcan, on or before December 1st, 1952.

THE CHURCH OF CHRIST

James R. Chapman, Minister

YOUTH FALL CONFERENCE NOV. 21-23

Ecl. 12:1. "Remember now thy Creator in the days of thy youth"

From Friday evening to Sunday evening, Christian inspiration by the young people of the Churches of Christ in Alberta.

THEME: "THE CHALLENGE OF TODAY IS FACING TOMORROW"

Speakers: John Berman, Edmonton
James Phillips, Nevada

Mrs. Leota Rash, who with her husband is on furlough after seven years in India

"A backward look often inspires, but the forward one challenges."

COME, HEAR. YOU ARE TRULY WELCOME

"... the building
of my herd"

Many a farmer knows that initiative, hard work and the financial support of the bank can all play their part in developing a successful farming operation.

One such man, a rancher in the West, recently wrote to his bank manager:

"I wish to express my appreciation of the way your bank has treated me through the years... the encouragement you have given me in the building of my herd. I feel the success we have achieved could hardly have been obtained without your intelligent support."

The farmer uses bank credit in many ways: to develop his land, buy livestock and equipment, market crops. Aiding Canada's food producers is an important part of the broad service the chartered banks perform for all Canadians.

This advertisement, based on an actual letter, is presented here by

**THE BANKS SERVING
YOUR COMMUNITY**

With The District Agriculturist Hugh Michael

Good Seed a Prerequisite of Good Farming

Not all farmers use good or even fair seed grain; during the spring of 1950 a seed drill survey was undertaken in the Argyle M. E., the results were rather disappointing. Of the 102 samples of seed obtained 17.0 per cent graded rejected for seed. 1949 was a reasonably good year with an excellent fall. The samples that graded rejected did so because of weed seeds or the seeds of other crops. Had these rejected samples been well cleaned they would no doubt have graded No. 1 or No. 2 seed.

Last spring good seed was at a premium and in many cases next to impossible to obtain. As a result many farmers were forced to use seed of inferior quality. This fall the picture has changed and ample stocks of good seed are available.

If your own grain is not suitable for seed, arrangements for obtaining seed should be made at an early date. If this is done, plenty of time will be available for cleaning and treating before seeding time.

Many farmers make it a practice to carry two or three years seed supplies ahead. A little good seed grain held over is excellent insurance against a bad year.

Not Too Late to Order Trees

The earlier you plant that shelterbelt, the greater will be the advantages, says P. D. McCalla, Supervisor of Horticulture. Life is not so long that we can delay year after year the preparation of the ground and planting of the desired trees. Neither do shelterbelts grow overnight. It takes time to get them started and every year saved means a saving indeed.

If you have summer-fallowed land into which the trees can be planted, you can still make application for free trees from the Alberta Department of Agriculture for planting next spring. It's true the selection is not quite so wide as if you had ordered earlier, but maple and green ash are still available together with a limited quantity of spruce and pine.

A shelterbelt is the first step towards a well planned garden and beautiful home grounds. Planted along a field margin, it is a sound investment against soil erosion. The time to start is now. See your District Agriculturist without delay about the trees you will need next spring, or write at once to the Field Crops Branch, Alberta Department of Agriculture, Edmonton.

Letters to the Editor

Vulcan, Alta.,
November 19, 1952.

Editor,
Vulcan Advocate.
Dear Sir:

As a regular reader of your paper I was interested in the controversy between the CNIB and the CFOB. Like yourself, I do not wish to further any controversy between these two organizations working for the blind, but after reading their letters certain questions do come to my mind.

1. Why should there be two organizations for the blind—the CNIB, a large, well-known, powerful organization, working for the blind, and the CFOB, a smaller, not so well-known organization of blind people working for themselves?

2. Who would understand the problems of the blind better than those who are blind themselves?

3. Did not the CNIB claim that they were the only organization with a Dominion Charter to solicit funds for the blind, so why did not Mr. Hewlett deny the claim by the CFOB that they also had a Dominion Charter to solicit funds for the blind, and would not Mr. Hewlett have been well aware of that fact?

4. Did not the CNIB imply that they got the pension for the blind, but did Mr. Hewlett deny the CFOB's claim that they were instrumental in getting the pension for the blind?

5. Why is there not a blind school in the prairie provinces? With such forces working for the blind one would think that this would have been done years ago, instead of having to send blind children to Brantford, Ont., causing long separations between the children and their parents which

undoubtedly affects the child's personality.

I pray to God that through both these organizations the blind people will be helped and permitted to learn, work, enjoy life, and that all blind people receive full compensation for the work they do.

Signed "A Reader".

Hemlock is one of Canada's slow growing trees. It may take 100 or 200 years to reach maturity.

There are about \$141,000,000 worth of paper boxes and bags made in Canada each year.

Sunday, November 23th

ALBERTA WHEAT POOL - INFORMATION -

The Alberta Wheat Pool's assets include 485 country elevators with 410 annexes in this province and also in the Creston and Dawson Creek localities in British Columbia, the total capacity being 33,844,850 bushels. The Pool also owns a 5,150,000 bushel terminal at Vancouver and a 2,000,000 bushel terminal at Port Arthur. The grand total capacity of the entire system is 40,994,850 bushels.

Since its inception Alberta Wheat Pool has made the following payments:

Patronage dividends in cash	\$ 5,099,683
Interest on reserves paid prior to 1929	631,253
Repayment of debt to government	8,855,629
Redemption of reserves	6,980,189
Total	\$21,566,754
Patronage dividend paid in reserves	5,983,644

The ownership of the Alberta Wheat Pool and Pool Elevators rests with farmer reserve holders. The farmer can become a member of the Alberta Wheat Pool by delivering 500 bushels of grain to a Pool Elevator and purchasing reserves to the value of \$5.00.

The Pool policy provides for the payment of patronage dividends, partly in cash and partly in reserves, in years when earnings are sufficient to justify such action. Members can increase their reserve holdings by patronizing Alberta Pool Elevators.

This substantial Pool elevator system is a valuable property. It is operated for the benefit of the membership.

The Wheat Pool's objective is to keep handling charges as low as possible and return excessive earnings in the form of patronage dividends; also to redeem reserves from members who have ceased to farm.

USE OF FERTILIZER

Some astonishing results have been achieved on Ontario farms by the use of much more fertilizer per acre than has usually been considered necessary. Increased fertilizer brought increased net profits. We suggest that prairie farmers, during the long winter, might well look into the whole question of the use of fertilizers.

Friends of Mrs. Gus Steurer will be sorry to hear she is ill in the Carmangay hospital.

Mr. and Mrs. Wilbur Matlock and small daughter are holidaying in Seattle for a few weeks.

The November meeting of the Amity Club was held on Friday, Nov. 14, at the home of Mrs. Bill Wolfe. There were 12 members present.

Mrs. Helen Fontana presided in the absence of Mrs. Matlock. After the general business meeting, Mrs. Wolfe served a delicious lunch, assisted by her sister, Mrs. C. Versluis.

Mrs. Roy Hummon, formerly of this town, and now living in Klamath Falls, Ore., hopes that friends and school pals of her son Glen, will take notice of his address and write him, as the boys in the services are always glad to receive mail. The following is Glen Hummon's address: Pfc. Glen Hummon, U.S. 56117050, 59th Eng. Const. Co. Adg. Det. A.P.O. 731 C-0 P.M., Seattle, Wash.

Mr. and Mrs. George Ellis were Calgary visitors for several days last week.

Mrs. Gordon Stewart spent the weekend in Calgary visiting with her son and daughter-in-law, Mr. and Mrs. Gordon Stewart Jr.

Mr. and Mrs. Donald Clifford of Milk River were weekend guests at the home of Mr. and Mrs. A. E. Howerton.

Mr. and Mrs. Harold Alcock of Kimbey, were guests at the home of Mr. and Mrs. M. D. Chamberlin.

Mrs. Laura Engleking, who spent some time visiting at several points in the U.S.A., is now visiting with her son-in-law and daughter, Mr. and Mrs. Sam Beingsen.

Mr. and Mrs. U. Taylor of Regina, Sask., and Mrs. A. Earl, of Suffield, were brief visitors at the home of their cousin, Cliff Miller and Mrs. Miller.

Mr. and Mrs. George Smith and children were Lethbridge visitors on Monday of this week.

Mr. and Mrs. Peter Holm are leaving this week for a holiday in California.

Mrs. Wright of Lethbridge, is staying with her grandchildren, Charles and Larry Coe, while Mr. and Mrs. Coe are in Eastern Canada.

Mrs. Cliff Miller was a Lethbridge visitor one day last week. Terry Stewart spent last week with his grandparents, Mr. and Mrs. Gordon Stewart Sr.

Miss Mona Patterson is a patient in the Vulcan Hospital.

Mr. and Mrs. John Shierman of Calgary are visiting at the home of their son-in-law and daughter, Mr. and Mrs. George Hartung.

Miss Gwen Lawson of Vulcan, spent the weekend at the home of her parents, Mr. and Mrs. A. Lawson.

Mr. and Mrs. Harvey Jopling spent several days last week in Great Falls, Mont.

Mr. and Mrs. R. Hegland, Mr. and Mrs. Bill Wolfe and Mr. and Mrs. Gordon Davey were Lethbridge visitors one day last week.

Miss Margaret Miller of Lethbridge spent the weekend with her parents, Mr. and Mrs. C. Miller.

Mr. and Mrs. R. Hegland were Lethbridge visitors on Monday of this week.

Mr. and Mrs. Alec Fraser and family of Lomond were Sunday visitors at the home of Mrs. Emily Fraser.

Allan and Jimmie Fitzsimmons of Calgary, brothers of Mrs. J. Matlock, spent several days at the Matlock home last week.

Sunday visitors last week at the home of Mr. and Mrs. J. Matlock were Mr. and Mrs. P. Bourassa, of Radville, Sask.; Mr. and Mrs. F. Storey of Fort Macleod; Mr. and Mrs. Chal. Matlock.

Mrs. Frank Little spent several days last week in Calgary visiting relatives and friends.

absorbing the water from the melted snow.

Experimental work at the Swift Current laboratory indicates that all the western soils tested may be subject to spring erosion. A dry soil, below the freezing temperature during the spring snow thaw, takes in only a small amount of water before an impenetrable layer of ice forms near the surface.

The immediate effect in increased runoff may be similar to that of a wet soil frozen to a considerable depth. However, subsequent penetration of water depends on weather conditions. If the snow-melt is not rapid, ice formation at or near the surface of an otherwise dry soil will disappear before much runoff occurs. On the other hand, runoff is likely to be high from a molts soil frozen to a depth of four feet or more. In both cases, moderately warm, cloudy weather is most favorable for moisture

Briefly, some of the findings to date indicate that of the minor nutrients, the vitamin C content of our green vegetables appears to be somewhat above average. This is quite understandable as the ascorbic acid content has been shown to increase with the length of day and the intensity of the sun's light. The provitamin A, carotene, is consistently high but this may be due mainly to the varieties grown rather than environmental conditions. Mineral constituents are generally normal with only calcium being somewhat higher than average due undoubtedly to the abundance of this element in the soils. No work has been carried out as yet with trace elements but these may be presumed to be in satisfactory quantities since the more abundant minerals are present in the plants.

The studies mentioned above have been only with the fresh products, since no greater nutrient loss is expected in southern Alberta due to processing than that which occurs elsewhere.

These studies indicate that consumers can purchase southern Alberta processed foods with the assurance that they are receiving as good as, if not better than, vegetable products grown and processed elsewhere.

Factors Influencing Spring Runoff

In Western Canada where the soils become frozen and are covered with snow part of the year, a serious soil erosion problem may occur during the spring thaw. If the soils are not protected in the fall, frost may penetrate a considerable depth, depending on the amount of soil moisture at freeze-up. Soil with a surface-cover of stubble or a cover crop can hold a snow blanket which is a good insulator, says Frederick Bissal, Soil Research Laboratory, Swift Current, Sask. This prevents the deep penetration of frost and in the spring these soils thaw out rapidly,

A Favorite Recipe—

Contributed by
Mrs. Howerton

Country Chicken Stew

1 4 lb. chicken
One-half cup flour
1 tspn. salt
1 tspn. poultry dressing
1 cup chopped onions
1 cup diced celery
One-half cup sliced carrots
One-half cup minced parsley
2 cups chicken stock
1 can cream corn

Dredge chicken in flour, salt and poultry dressing. Brown in heavy pan. Add other ingredients, except corn. Cover. Simmer 1½ to 2 hours. Remove chicken and vegetables, and make gravy. Return chicken and vegetables to gravy and add corn. Serve with hot baking powder biscuits.

penetration since it minimizes thawing in the daytime and freezing at night. Measurements show that the frost comes out of well-drained soils to a depth of 12 inches in 8 or 9 days of rapid thaw, and that it comes out more quickly in depressions where pools of water have collected.

The best methods to conserve soils and moisture during the critical spring period are to hold as much snow as possible with a good surface cover. The melted snow water should be retained at its source of melting which can be done by contours and rough cultivation.

The methods applicable in one locality may not be suitable for another, but much can be done to alleviate spring flooding and conserving moisture.

Robert Fulton was a portrait painter before he became an inventor.

YOUR BEST SECURITY IS Alberta's FUTURE

The hustle, the bustle and powerful size of Alberta's transportation industry reaches full proportions in this Alberta painting. And in service, your Treasury Branches reach full proportion as well. No matter what your financial need — current or savings accounts, handling of grain tickets, cream and poultry tickets, safe-keeping of valuables, transfers of funds, individual or corporate loans — all are given courteous, friendly treatment at your local Treasury Branch. Treasury Branches are backed by the entire resources of this Province. See your local manager — soon!

ARMADA

Johanny Marks, son of Mr. and Mrs. J. Marks received injuries to his forehead and hand last Friday when he fell on some broken glass. He was taken to the Vulcan hospital where he remained overnight. Several stitches were required.

Ross Chambers of Calgary visited his home over the weekend.

Miss Doreen Marks spent the long weekend at the home of her parents, Mr. and Mrs. W. Marks. She returned to Calgary on Wednesday with her father.

Miss Mary Magella of Calgary was a weekend guest of her parents, Mr. and Mrs. M. Magella.

Mr. and Mrs. L. Stobes accompanied by their nephew, Doug Lee of Milo visited in High River last weekend where they were guests of Mrs. Stokes sister, Maxine and family.

Mr. and Mrs. A. Willard of Milo

have taken up residence on the Nelson Ranch. We welcome them to the Armada district.

George Boyd was a Lethbridge visitor last Friday.

Mr. and Mrs. Dick Donily and family who reside near Vermillion are at present visiting at the home of the latter's parents, Mr. and Mrs. V. Williams. They have also been guests of Dick's sister, Mrs. W. Marks.

Mr. and Mrs. A. Marks and family motored to Brooks on Sunday.

Mr. and Mrs. W. Brotherhood and their son-in-law and daughter Mr. and Mrs. H. Craine left on Sunday on a trip to the States. They will visit relatives in Illinois and Iowa. Mr. and Mrs. H. Craine will be away only a month but Mr. and Mrs. W. Brotherhood will spend the winter months in Missouri and Illinois. Little Esther Craine is staying with her aunt, Mrs. G. Stokes during her parents' absence.

Miss Betty Oakes of Vulcan has been visiting at the home of her parents, Mr. and Mrs. Oakes this last week.

Mr. and Mrs. Harry Boyd of Hardieville were recent guests of Mrs. Nina Bennett.

Mrs. Nina Bennett has gone to Red Deer where she will visit her daughter, Iva.

Mr. and Mrs. W. Hall and Mr. and Mrs. C. J. Anderson, all of Milo visited the Art Marks home on Sunday.

Several Armada residents attended the Memorial Services held in Lomond on Nov. 11.

Mrs. L. Stokes is a patient in the Vulcan hospital this week suffering from blood poison. We wish her a speedy recovery.

Mr. and Mrs. C. Stokes are spending a few days visiting friends at Creston B.C. this week.

Lethbridge visitors on Friday included Mr. and Mrs. E. Howell and family, Mrs. J. Kunkle and Mr. and Mrs. Art Marks and Myrna.

BRANT

Stacy Graham and Janet visited relatives at Sioux Falls, South Dakota and at Granite Falls, Minnesota.

Mrs. M. Stachan who has been visiting her sister, Mrs. Stacy Graham, left for Great Falls, Mont., on Sunday night.

The Brant High School Dance was well attended on Friday evening.

Films were shown in the school for the grownups and children on Friday night.

Twenty-one Brant ladies went on tour of the Junior Red Cross Hospital in Calgary last Thursday, Nov. 13th which proved to be very interesting.

Miss Gail Patton and Miss Arlene Parker were at the latter's home for the weekend.

John Druhal Jr. and Allan Fletcher were home for the weekend.

Messrs. Lyle and Lorne Ford, Messrs. Marjorie Hamilton and Jean McDonald were down for the High School Dance.

Mr. and Mrs. Jack Tompson entertained friends at a "five hundred" card party Monday evening.

Mr. and Mrs. John Braunswarth celebrated their 55th wedding anniversary Nov. 8, by having a few friends in for afternoon tea.

Mr. and Mrs. Keith McBrien were Calgary visitors over the weekend where Keith had an eye operation.

Mrs. Braunswarth, who is leaving Brant to make her home in Calgary, was presented with a gift from the Ladies Aid.

Mr. and Mrs. C. McBrien of Nanton were guests at Mr. and Mrs. Keith McBrien for a week.

MOSSLEIGH

Muriel Wark was guest of honor at a shower in the church which was decorated in pink and white streamers and bells. After a program of musical numbers and readings Miss Wark was presented with a basketful of useful gifts.

Mr. and Mrs. Bob Bertschy, accompanied by Mr. and Mrs. F. Bertschy of Majorville returned last weekend from a trip south of the border.

A record crowd attended the dance held in Mossleigh last Friday night.

Blind Creek - Mossleigh W.A.

The Blind Creek-Mossleigh W.A. did not have a meeting this month, but the ladies gathered at the church and had a cleanup day instead. The church board had hired a man to paint the interior so the ladies scrubbed and waxed and had everything bright and shiny for the supper which was the following night and was a great success. The W. A. wishes to thank all those who attended from the neighboring districts. The December meeting will be held in the church. Don't forget your Mystery Sister.

QUEENSTOWN

Honoring Miss Vera Popoff, a miscellaneous shower was held for her on Nov. 8 in the Legion Hall. She received many useful gifts. Miss Lois Henry helped the honored guest open her presents. She thanked everyone very fittingly. Mrs. Leslie Long and Mrs. Stanley Brown were the hostesses.

Mr. and Mrs. Martin Bôjes were Calgary visitors last week.

A Rummage Sale will be held in the Queenstown Hall on Saturday, Dec. 6th, starting at 8 p.m. in aid of the Community Hall. "Everything from Soup to Nuts." Coffee and Doughnuts will be served.

Regarding the new road through the Buffalo Hills, and putting gravel on it. One can't go around putting gravel on certain roads for the chosen few. We have miles and miles of new graded roads in this district, and in certain spots they are all in the same condition, which is only due to a dry year, which no one can remedy except mother nature. If one road had gravel on the ditched-out spots, why not all the roads? And that would take a pile of gravel! Our Councillor is doing a fine job, the best that has been done for years.

The local farmers have been busy repairing the telephone lines. They have done a complete job on lines 1 and 9.

The Paisley shawl originated in Paisley, Scotland.

*new in *seventy-five ways
the long, low and lively*

'53 DODGE

Cars as illustrated include certain extra equipment items. Check with your local dealer for information on standard equipment.

...see the new beauty...feel the amazing smoothness

Yes — all you've heard is true — the new '53 Dodge is really new! It's on display at your Dodge-DeSoto dealer's today.

When you see the new Dodge, here are a few of the 75 brand new features you'll immediately notice: the long, low sweeping lines, modern in every respect, that give it that longer, lower, wider look; the continental-type rear deck and immense trunk space; the big, new, one-piece windshield and the wrap-around rear window; the roomy, finely-finished interior.

When you drive the new, long, low and lively Dodge, you'll realize that only a brand new approach to automobile design could have achieved such amazing riding qualities. Here's a car that has a three-way smoother ride . . . steadier . . . more level . . . softer. It hugs the road, handles surely and takes the curves in stride.

Be one of the first to drive this brand new Dodge. See your Dodge-DeSoto dealer today — let him tell you how Dodge is new in seventy-five ways.

RE

COMMUNITY HALL

TO WHOM IT MAY CONCERN:

Our new stoker furnace is in operation and is doing a fine job. The Ladies' Dressing room and the kitchen are practically finished and we are proud to invite you, one and all, for an inspection.

Now, regarding finance — we haven't any — but we are beginning to see our way clear, especially since the grand boost we received from "THE LIONS CLUB."

However, we do need more, so we are sponsoring our "ANNUAL AUCTION SALE" on Friday Night, November 28th, followed by a Dance, and we certainly do ask your co-operation by bringing in all your "White Elephants" — Garden Produce — Cooking — Baking — Eggs, or what have you?

YOU BRING 'EM — WE SELL 'EM

JASPER ROOT is also running a "Turkey Shoot" in the afternoon in aid of the Community Hall — so come and make a day of it.

Might also add that we have permission from THE INCOME TAX DEPARTMENT to issue an official receipt, in other words YOUR DONATIONS WILL BE INCOME TAX FREE.

Your Hall Board

Start the Press

Human nature being what it is, most of us, before buying anything, want to know what benefits or returns we are going to get from investing our hard-earned dollars in goods or services, whatever they may be.

When considering the purchase of fertilizer, most farmers want to know what dollar returns they can expect if they invest some of their money in fertilizer. It is, therefore, important that facts and figures covering average increased yield, and dollar returns that have, and can be had, from fertilizer use, be plainly stated during the sales presentation to the prospect.

While earlier and more even maturity of crops, maintenance of soil fertility, etc., are important sales points and should be used to support the sales story, the expected increased yields and the resulting dollar gains are the reasons why most customers buy fertilizer.

Fortunately, there is a bulletin containing facts about fertilizer use and figures covering the average yields that have been obtained over a period of years, in fertilizer tests carried out in Alberta by agricultural authorities. This bulletin was prepared by the Provincial Advisory Fertilizer Committee, is published by the Alberta Department of Agriculture, and is titled "Fertilizers in Alberta." The data contained in this booklet is official and should be used with absolute confidence.

To show how the results of these tests can be used to emphasize the dollar value of fertilizer, data taken from Page 7 of "Fertilizers in Alberta", which covers the average increase in yield for the Province, from the use of 50 lbs. per acre of A.P. 11-48-0 fertilizer, in 118 tests conducted between 1941 and 1950, on fallow land, is used below:

Value of 9.1 bushels per acre increase at \$1.60 per bushel.	\$14.56
(Based on average price paid for No. 3 Northern Wheat at elevators in Alta., 1951 crop)	
Less: Cost of 50 lbs. per acre of 11-48-0 fert.	2.50
PROFIT	\$12.06

As shown above, the profit that can be expected from the investment of \$2.50 per acre for an application of 50 lbs. per acre of 11-48-0 fertilizer on fallow land in Alberta is \$12.06 or 482 per cent. There is no investment a farmer can make that will give him equal returns for each dollar invested. Fertilizer doesn't cost, it Pays!

"Your Sale in My Hands Means Money in Yours"

Carmangay

Mrs. Rena Burns recently sustained a broken arm as the result of a fall on the cellar steps. She is now in the hospital and is expected to return home soon.

Mr. and Mrs. Johnnie Knox of Dawson Creek, spent a few days in town recently visiting at the home of Mrs. John McLellan and near friends. They were on their way to Saskatchewan to visit friends and relatives there. Mrs. Knox is the former Margaret Donnelly, that at one time was a nurse aide in the local hospital.

Mr. and Mrs. Frank Hubka have returned home after spending a short holiday visiting with Mrs. Hubka's relations in Puyallup, Wash.

Mr. and Mrs. Ross Smith of Vulcan are the proud parents of twin girls, born in the Vulcan Hospital recently. Mrs. Smith is the former Hazel McFarland.

Mr. and Mrs. Paul Plourd spent the weekend in Magrath at the home of Mr. and Mrs. Soren Sorensen.

Mr. and Mrs. Rod Minty and family motored to Calgary Sunday to visit at their relations and Willis Plourd returned home with them and spent a few days in town.

Mr. and Mrs. H. Fyckes of Granum were Friday visitors in town to attend the Moore-Cross nuptials.

Mr. and Mrs. Harvey Cross of High River and Miss Phyllis Lee of Calgary were visitors Friday to attend the Moore-Cross wedding.

Marcella Cross Honored

About 90 guests gathered in the basement of the United Church recently for a shower in honor of Miss Marcella Cross. The evening was spent enjoying games and contests, and also an appropriate program.

Misses Pat Nugent and June Volk assisted in opening the gifts and Pat gave a short speech that seemed right for the occasion. The evening was concluded with a very tasty lunch being served to all present.

Mr. and Mrs. Jim Korth are the proud parents of a baby boy born in the local hospital recently. Congratulations.

Mrs. Carlo DiMario and baby daughter returned home recently from High River where the baby was born in the hospital there.

Johnnie Hubka has purchased a new Plymouth which is now on display in his garage.

Miss Joanne Hubka now employed with Wheelers Jewellery in Lethbridge was a weekend visitor at the home of her parents, Mr. and Mrs. John Hubka.

If you have any news you would like put in the paper, phone or write your local correspondent, at Box 24 or phone 38.

Lions Carnival

An average crowd attended the Lions Carnival held Nov. 7 and 8 and a good many games of chance were enjoyed by both young and old alike. Queen nominees for this year were Joan White, Jean McTavish and Marg Moore, and after all the votes were cast and counted Marg Moore came out on top and will be the Queen until the next carnival. Miss Yvonne Fraser (last year's Queen) crowned this year's Queen at midnight.

The blankets were won the first night by Cal Witt of Calgary and the second night by Dorothy Hubka. Silverware was won by Fergy McTavish and a lady from Richmond, Sask. and the door prizes were won by John Latel and Adolf Schumacher. A good time seemed to be had by all those that attended the carnival this year.

L.A.S.

The monthly meeting of the L.A.S. was held at the home of Mrs. Anna Plourd on Tuesday evening with a good attendance. A good deal of business was brought to the floor and many decisions were made toward the Bazaar and Bake sale to be held Dec. 6 in the Community Hall. It was decided that the Star Quilt will not be raffled.

now due to the amount of work to lovely blue velvet dress trimmed with lace. As the guests left the reception they signed the bride's book.

The evening was brought to a close with a dance being held in the Community Hall with a very good crowd in attendance. The couple left on their honeymoon after which they plan to make their home in Carmangay.

be done on the Tea etc. Instead a doll's crib with complete bedding, pillow, and satin comforter will be raffled. A very appropriate gift for that small daughter of yours. Tickets will be on sale before too long.

A delicious lunch was served by the hostess Mrs. Anna Plourd assisted by Mrs. C. Daoust. The raffle was won by Mrs. Paul Plourd Jr. The next meeting will be held on Dec. 9th at the home of Mrs. Szekely.

Moore - Cross

A wedding of wide interest took place in the St. Joseph's Church of Coalhurst Friday, Nov. 14th at 3 p.m. when Marcella Gertrude, daughter of Mr. and Mrs. M. F. Cross became the bride of William Robert, eldest son of Mr. and Mrs. Robert Moore.

The bride entered the church on the arm of her father, and looked very lovely in a white satin gown with matching veil, and Morris Hauser was the train bearer. Little Sherry Hovde as flower girl was attired in an ankle length dress of lace over satin and carried a bouquet. Bridesmaid was Marg Moore, sister of the groom, dressed in a lovely gown of blue net over satin and matching chapel veil. Best man was Richard Kessler of Iron Springs. Father Lebel of Lethbridge performed the ceremony.

Preceding the ceremony the organist of the church sang "Ave Maria," after which Mrs. Paul Plourd Jr. sang "Through The Years" during the signing of the register.

Following the ceremony the wedding party returned to Carmangay for the reception which was served in the basement of the United Church. Father Lebel said grace, after which those present enjoyed a lovely supper. Father then proposed a toast to the bride to which the groom replied. Mr. Fyckes gave a short speech about the young couple.

For the occasion the bride's mother chose a brown gabardine suit with matching pink accessories, while the groom's mother chose a

Notice re Coyote Control

Farmers who are interested in promoting the use of cyanide guns for coyote control are asked to advise the County Office if they would be interested in attending a cyanide gun school and in making application for the guns. Applications should be made in writing to the secretary-treasurer or Field Supervisor on or before December 13th, 1952. The Council will then be in a position to determine whether or not application will be made to the Government to institute this service.

ARROWWOOD

Mrs. Keith Cochrane has returned from Rochester, Minn. she left Johnnie in hospital and expects to go back for him shortly.

Mr. and Mrs. S. Hayes and Mr. and Mrs. Harold Williams went to Great Falls for a few days.

Mr. and Mrs. Dodd House and family went to Cranbrook, B.C. to visit with their daughter, Mrs. Don Parker and family. Then they went on to Rathdrum, Idaho, for a short visit with old friends before returning home.

They held a parent-teacher conference last week and all the parents met with the teachers. This method has been carried out in the Arrowwood school for some time. By this method they each get to see the teachers and discuss any problems and get the child's standing, also does away with report cards. The Booster Club served coffee and sandwiches and cookies and everyone had an enjoyable and enlightening evening.

Mr. and Mrs. Bud Beckner and family spent the long weekend shopping in Great Falls.

John Jacobsen has returned from his trip in Denmark. He has decided this isn't such a bad country after all, as while he was away it rained every day but three and at home it didn't rain at all.

Mr. and Mrs. Nea Dumka have gone on a trip to the U.S.A.

Mr. and Mrs. Walter Stener have gone to Toronto for the Royal Winter Fair. While they are there they expect to visit with Mrs. Stener's relatives in Bobcaygeon.

Mr. and Mrs. Lorne Henry and girls were visitors in Arrowwood over the 11th of November.

Other weekend guests to Great Falls were Mr. and Mrs. Mervin Norton and family and Mr. and Mrs. Hurley Williams and Mr. and Mrs. Tom Board. Mr. and Mrs. Bert Setters ran Mr. Board's store while they were away.

Miss Ferne Williams has returned home after having her appendix out. I can't help but think this is as much an epidemic in Arrowwood as measles or mumps in other communities.

A new building has been moved into Arrowwood this week. It is going to be the new restaurant, so

we hear. Well, good luck to its proprietor and we hope you soon have it in operation.

The community held a very delightful party for Mr. and Mrs. Mervin Norton. They had several very good contests, the one causing the most commotion and fun was where they divided the group into six groups and each group dressed a bride and groom. Now all you had were a pile of papers and a couple dozen pins. Now some of the brides had trains, other lovely flowers and grooms all had various hats and suit styling, but all made for fun because paper tends to tear as you walk up and down an aisle and to my estimations isn't advisable material except for fun and frolic. Miss Norma Oberholzer sang a lovely solo and Mrs. F. Oberholzer sang "Smilin' Through" as a special request number. Community singing was the starting and last items on the program and is always heartily responded to. Dick Oldfield presented the couple with an electric tea kettle and also a purse of money. A very lovely lunch was served by the ladies of the community.

Mr. and Mrs. Charlie Christie are the proud parents of another baby girl, born Nov. 16 in Calgary.

Mr. and Mrs. Jonas Deeter had a family dinner on Sunday the 16 of November in honor of Mr. and Mrs. Mervin Norton. They entertained Mrs. Norton's relatives from Calgary and Irricana.

Mr. and Mrs. Ernie Norton of Blackie and Mrs. Eva Miller and Mr. and Mrs. Merlyn Miller, Claresholm were visiting with Mr. and Mrs. Don Beagle on Saturday and then attended the party for Mervin Norton.

Congratulations go out to Mrs. Margaret Ward who celebrated her 92nd birthday on Nov. 18. She is still hale and hearty and friends went to congratulate her in the morning and found her down scrubbing the floor.

Mr. and Mrs. R. F. Williams left on the 17th to spend four or more months in the U.S.A.

Don't forget the United Church Bazaar and Tea to be held this Saturday, Nov. 21.

BERRYWATER

Mr. and Mrs. Allan Sinclair, accompanied by Mrs. E. Sinclair of Vulcan, motored to Calgary on Wednesday, to meet Gordon Sinclair of Ottawa, who was enroute to Vancouver on a business trip. While the plane was in Calgary they all enjoyed a brief visit.

Mr. and Mrs. Harry Nixon, Larry and Blaine of Nanton were Sunday visitors at the Hugh Baden farm.

We are glad to report that Dorothy and Mary Stein have recovered from an attack of measles.

Mr. and Mrs. Stan Wickstrom and daughter, Sheryl were Sunday visitors to Calgary.

Mr. and Mrs. D. B. Smith are business visitors to Calgary for a few days this week, where Mr. Smith is attending the Municipal convention.

Brief Items of Local Interest

Mr. and Mrs. Pat Walker left recently on a motor trip through the western U.S.

Mr. and Mrs. Keith Elder were called to Red Deer last week owing to the illness of the latter's mother, Mrs. N. Lea. Late reports are that Mrs. Lea's condition is somewhat improved.

Mr. and Mrs. L. Chell, Tommie and Nora of Monarch renewed acquaintances here over the weekend and were house guests at the home of Mr. and Mrs. Peter McIntyre.

Mr. and Mrs. Bruce White have recently returned from a holiday spent at the coast.

Miss Doreen Weber of Stettler was a recent visitor to Vulcan. Mrs. Wallie Franks and Miss Shirley Hubbard accompanied the former's brother, Bob Hill, to Calgary on Monday.

Congratulations are being offered Mr. and Mrs. Ross Smith on the birth of twin daughters at the local hospital Thursday, Nov. 13.

Mr. and Mrs. Ross Walker are scheduled to leave this week on a holiday to California, and other U.S. points.

Mrs. Charles Northcott and Betty Ann are spending the week at the Garnet O'Neil home at Crossfield.

A. R. Mainland accompanied by Peter McIntyre have returned from visiting at a number of Saskatchewan points.

Mr. and Mrs. Fred Nolte were Friday visitors to Calgary and on their return were accompanied by Madeline, who spent the weekend at her home.

David McIntyre of Carmangay spent the weekend with relatives here.

Miss Dorcas Johnson of Calgary is at present a guest at the home of Mr. and Mrs. Merle Smith.

Mr. and Mrs. D. D. McQueen are spending several days in Calgary, where Mr. McQueen is attending a Municipal convention.

Mr. and Mrs. Freddie Andrews of Calgary, Mr. and Mrs. Howard Andrews of Pine Lake and Mrs. Mundy of Black Diamond spent Saturday renewing acquaintances in Vulcan.

Mr. and Mrs. G. A. Sales accompanied by Mrs. H. LaRoche and Jerry were Wednesday visitors to Calgary.

Friends of Robert Wilson will be interested to know he is a patient in the Holy Cross hospital, Calgary.

Mr. and Mrs. Lorne Healy, accompanied by Mrs. Frieda McRoberts, motored to Pincher Creek Monday of last week to attend funeral services for Mrs. Gertrude Taylor.

Mrs. Taylor was the wife of Lou Taylor, nephew of the late John McRoberts, and very well known in the Reid Hill district.

Mrs. Taylor passed away at the age of 55 years after a lengthy illness. Mr. Taylor predeceased his wife four years ago.

Mrs. Carrie McIntyre is spending a holiday with her friend, Mrs. Frieda McRoberts.

Mr. E. G. Hansell left Sunday evening for the opening session of parliament, stopping over for a day in Winnipeg, enroute to Ottawa.

A family dinner at the Jack Latvin home north of town, Sunday, honored Mrs. Pete Schuler, whose birthday it was. A pleasant and enjoyable afternoon was spent.
